WATER COMMISSIONER'S REPORT

Your Commissioners submit the following report for the year 1966.

The working plans for the rehabilitation of the system and the Route #16 extension has been completed. Application has been made to the Federal Government for aid. The necessary forms were filed with the proper authorities in August 1966. They are still in state of being processed. Due to the cutback in monies allocated by Congress for such projects, it seems unlikely that we will be receiving any at this time. However, we are still trying.

The Commissioners feel that it is in the best interest of the District that we had better put in the new well and pumping equipment as recommended by the engineers, as the antiquated vacuum system now in use can cease to function at any time. To this end we are asking the voters to raise \$52,000 in serial notes or bonds to do this this year.

The Precinct building has been repaired and painted, in accordance with your vote at last year's meeting. After repairs were started it was found that the north side foundation was rotten and needed replacing so the cost of the job ran over the estimate by \$375. This will have to be raised this year.

Respectfully submitted,
Stanley C. Tanner
Frank E. McIntire
Joseph Jacobs

FIRE WARDEN REPORT

Fire records are made by people--those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres--a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important - Instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES!

Moderator, Lewis Piper

To the inhabitants of the Milton Mills Fire District, in the Town of Milton qualified to vote in the District affairs:

You are hereby notified to meet in the Fire House in the said District on Saturday the 18th day of March 1967 at 7 o'clock P.M. to act on the following subjects.

1. To choose a Moderator for the following year.
2. To choose a Clerk for the following year.
3. To choose a Treasurer for the following year.
4. To choose a Commissioner for the ensuing three years.
5. To see what sum of money the District will vote to pay the Chief, the Assistant Chief, the Engineers and the Firemen in addition to the amount allowed by law, and the rate of pay to the aforementioned men while fighting fires in the District, in the Town, in the surrounding Towns and to pass any vote or votes relative thereto.
6. To see if the District will vote to raise and appropriate a sum of money not to exceed three thousand fifty dollars (\$3,050) to pay the operating expense for the ensuing year and to pass any other vote or votes relative thereto.
7. To see if the District will vote to authorize the Commissioners to borrow on notes of the District if necessary in anticipation of 1967 taxes.
8. To transact any other business that may legally come before the meeting.

These are changing times in educational circles, and signs point to growth and innovation in the immediate future. The AREA Concept and Co-Operative School Districts will receive much attention in the wake of recent State Board of Education pronouncements concerning secondary school enrollments. There will be a continuance of Federal programs which will affect education in one form or another. We should be watchful and informed so that our decisions, concerning the education of boys and girls, will be based on facts rather than emotions and hearsay.

A very successful Summer Remedial Program under the direction of Mrs. Nancy Elliott and Miss Joanne Carey, both certified teachers, was operated for six weeks. In the opinion of all the personnel involved in the program, it was worthwhile. Although the ultimate success of the program will not be known for some time to come, the immediate gains were gratifying. Six weeks is not long enough time to make great progress but with the start that was made and the continued use of much of the equipment and material bought under Title I, it is hoped that these students will continue to read better and better. All of the money spent under Title I by the Milton School District from 1965-66 allocation of \$6,140.27 was disbursed as follows: equipment and materials, \$4,304.78; teachers' salaries, \$1,210.00; transportation, \$300.00; and a balance of \$325.49.

Currently, a non-graded special education class sponsored by Federal Funds under the Elementary and Secondary Education Act of 1965, Title I, and directed by Mrs. Elsie Julin, is operating successfully for fourteen boys and girls. Special equipment and supplies have been purchased for this project. The total allocation for this project was \$7,000. All equipment purchased from these Federal Funds became the property of the Milton school district. It might be added that they have been made available without any Federal Controls.

Although at this writing, there are no committee reports in regards to the AREA Concept and/or the Co-operative School Districts. The committee elected December 20, 1966, and comprised of Forest Sceggell, Blake Booth and Edwin Boggs are now active and will report at a future date. As the cost of education continues to increase, it is the compelling duty of every community to study every feasible facet of educating their children so that they may get the maximum dollar value for a sound educational program.

It is with regret that we report the absence of Mr. John Callahan, Principal, due to a serious illness; and I know that the school board, staff, and students join me in wishing him continued improvement.

We would be remiss in our duties, if at this time, we did not express our appreciation to Miss Marjorie Good-

win, Acting Principal, for the excellent and efficient manner in which Nute High School has been operated.

Throughout these days ahead, we will appreciate, as in the past, the continued cooperation of the school board, citizens, teachers, and students in the best interest of good education.

Respectfully submitted,

Ramon Martineau

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

This school year has found several staff changes in the Milton Public Schools. At Milton Mills, Mrs. Margaret Doe, an experienced teacher and graduate of Gorham Teachers College and Boston University, has replaced Mrs. Mary Jane Moulton in Grades 1, 2, and 3.

At the Milton Elementary School, Mr. Robert C. Eames, a graduate of Plymouth State College and with teaching experience at Farmington, is teaching Grade 6 and is principal, replacing Mr. Bradford York who joined the Nute faculty.

Mrs. Elsie Julin has been transferred from Grade 2 to teach the special class under Title I.

Mrs. Drina Blanchette, a former Milton teacher, has returned to teach Grade 2. Mrs. Blanchette is a graduate of Plymouth State College.

Mrs. Gertrude E. Elliot, Remedial Reading teacher, resigned upon the advice of her physician. Mrs. Elizabeth Dower, who attended the University of Tennessee, is currently teaching her class.

At Nute High School Mr. Warren E. Bouchard, a graduate of St. Anselm's College, has replaced Mr. John Aucone as a social studies teacher. Mr. Alfred Banks, a graduate of Keene State College with experience at Sanborn Seminary, has replaced Mr. Lawrence Enos in shop. Mr. York is teaching the social studies classes formerly taught by Miss Helen Tambouris. Mr. Foster Jones, who was graduated from the University of New Hampshire, has replaced Mr. William Osgood as a mathematics and science teacher.

Mr. and Mrs. Wilbert G. Nutter are teaching music full time in Milton this year having added the vocal music formerly taught by Mr. Henry Hanhisalo.

French is being offered in Grade 7 for the first time. This year French was started in Grade 4 by Mrs. Elliot.

Several teachers studied at various institutions during the past summer and there are a number enrolled in courses nights or Saturdays now.

The Nute Hot Lunch Program had to close in December.

Fewer surplus commodities and increased costs made the available funds inadequate to serve meals at Nute and Milton Elementary School. The consensus was that the younger children should be considered first.

The Student Council has been active giving out Thanksgiving baskets to several families, toys at Christmas, and arranging for Christmas lighting at School. They earned the money for their projects.

A newly organized Pep Club has engendered enthusiasm at basketball games.

The seniors presented a 3-act play in the fall and the juniors will present theirs this spring. A school newspaper is being duplicated and a yearbook published.

The first fall Pops Concert was a pronounced success and the numbers for the regular spring Pops Concert are in rehearsal.

The Christmas concert at Nute featured both the intermediate and Nute bands, the 70-voice Nute chorus, as well as a chorus comprised of 7th and 8th graders, and another made up of pupils in Grades 4, 5, and 6.

Several summer band concerts by the Nute band were given at the Milton Town Beach and at the park. The band uniform fund is increasing and capes are the next objective to add to the hats purchased previously.

The increased interest in music is a credit to Mr. and Mrs. Nutter.

Mr. Gerard Thibault became the head custodian at Nute last year upon the resignation of Mr. Joseph Tucker.

The usual schedule of sports is being followed. In the fall, Mr. Bouchard coached the soccer team and the girls' volleyball team was coached by Mr. Callahan. Mr. Art Parissi, a Plymouth State College graduate, is coaching boys' basketball. Mr. Eames coaches the J.V. boys' basketball. Mr. Bouchard is the girls' basketball coach. Mrs. Chase and Mrs. Eames are responsible for the cheerleaders. I regret that circumstances have forced me to write this report.

I would like to express my personal appreciation to each staff member, pupil, and parent for the cooperation I have received since I have been trying to carry out Mr. Callahan's policies here in the office.

Respectfully submitted,
Marjorie E. Goodwin
Assistant Principal

REPORT OF THE SCHOOL NURSE

To the School Board, Supt. Martineau, and Citizens of Milton, I hereby submit my annual report.

The routine health services have been conducted the same as in the past. There have been no changes in the program this year.

The following is a statistical report of the work accomplished in 1965-66:

		Defects	Corrections
Pupils examined by the school physician (Dr. Quinn)	293	12	12
Work done by the school nurse			
Vision	475	53	50
Hearing Tests	220	2	2
Inspections	462		
Heights & Weights	462		
Teeth	462	many	several
First Aid	1144		
Blood pressures rechecked, ordered by school physician	3		

Any defects found by either the school physician or nurse were reported to the parents.

Visits to Milton Mills	
School	41
Mileage during year	1,014

Orientation Day was held May 18, 1966. The number of children who had their eyes, ears, teeth, height and weight checked was 18.

I was able to purchase an Audiometer for the Schools. This was made possible by generous contributions made by:

Farmington National Bank
 Milton Woman's Club
 Rochester Savings Bank & Trust Co.
 Greene Tanning Corp.
 Roy's Dairy
 Catholic Guild of the Sacred Heart Church
 Tri-Echo Store
 Rev. George D. Chicoine
 Milton Superette
 Charles Varney Insurance Co.

I wish to thank all that contributed, making it possible for me to buy this machine, and also for their interest shown. Before buying the Audiometer, I shared one with five other schools which made it rather inconvenient at times.

I attended four nurse's meetings, had consultations with several parents, and council with many students. I also try to impress upon these children the importance of personal hygiene, and also the importance of eating breakfast.

Again it has been a pleasure working with the children.

I wish to thank the School Board, Supt. Martineau, Mr. Callahan, other members of the staff, as well as the parents for their close cooperation.

Respectfully submitted,
 Mildred L. Gilman, R.N.
 School Nurse
